02 / REDWOOD EMPIRE LUMBER

Natural material. Lasting character.

Redwood, Ipe, cedar, Douglas fir, and related materials through Grand Oaks Supply Company.

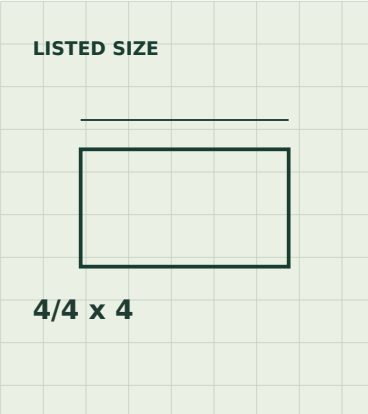

Redwood Empire supplier example. The supplier identifies Construction Heart redwood in this deck.

Redwood Empire is a family-owned lumber company with roots dating to 1971 and is a division of Pacific States Industries. Its product range includes domestic softwoods and imported hardwoods, so country of origin should be confirmed for each material.

See the material before you decide.

Ask for high-definition photographs, sample availability, or a pre-arranged appointment at the distributor's yard to inspect the material you are considering. For photos, samples, or yard appointments, email grandoaksupply@gmail.com or call (831) 524-7497.

Sources: Redwood Empire company information, supplier gallery, and owner-provided product inventory. Visits require prior coordination; Grand Oaks has no public yard.

Ipe 4/4 x 4 Hardwood

Ipe Hardwood

Ipe is a dense Brazilian hardwood used for decking and outdoor projects. This 4/4 x 4 air-seasoned lumber is offered as a full shed-pack bundle containing 1,200 board feet, or as a separately selected random-length pulling order. The bundle is lumber, not a shed kit or prebuilt structure. Exact board lengths and piece counts are confirmed with your quote.

Material size: 4/4 x 4

Species: Ipe (Brazilian hardwood)

Grade: First Export Quality

Surface: S4S

Seasoning: Air-seasoned

Bundle volume: 1,200 board feet (BF)

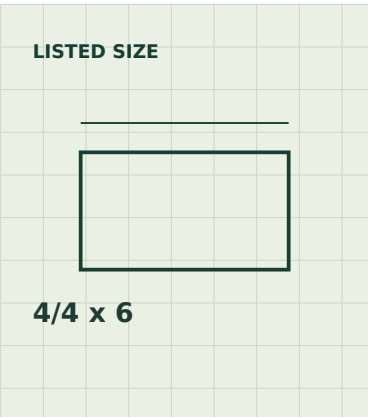

Lengths: 8-20 ft listed in the product catalog; exact mix requires confirmation

Board dimensions: Nominal; actual finished dimensions not supplied

Bundle contents: Board count and exact length mix are not specified

Order unit: pack / linear ft

Product details & available options

LUMBER / REDWOOD GRADE GUIDE

Choose the character.

Supplier grade illustrations show differences in appearance. Natural color and grain vary from board to board.

Construction Common

Construction Heart

B Grade

Heart B

Clear Aye

Clear All Heart

Grade names in the inventory include Construction Common, Construction Heart, Select Heart, B Grade, Heart B, Clear (Aye), and Clear All Heart. A grade photograph is an example, not a photograph of the boards reserved for your order.

Open the Redwood Empire grade guide

Images: Redwood Empire / Redwood Grades reference sheet. Appearance examples do not establish structural capacity or project suitability.

TECHNICAL RESOURCES

From selection to specification.

Product sheets, dimensions and test results should be reviewed for the exact material and intended application. Your quote confirms availability and the selected options.

Redwood Lumber Grades

Handling Redwood Siding

Redwood Naturally Elegant - historical technical reference

Older Redwood Empire brochures illustrate grades, patterns and uses; they do not establish current stock or the dimensions of your order.

Manufacturer documents may be in English only. For help requesting Spanish or another language, email grandoaksupply@gmail.com or call (831) 524-7497.

Before ordering, confirm the product, size or package, quantity, delivery or arranged pickup, and applicable written terms. Structural design, installation and suitability remain project-specific.

REDWOOD EMPIRE / GALLERY

Decks with character.

Supplier project examples. These photographs are not Grand Oaks Supply Company installations or photographs of reserved inventory.

Construction Heart redwood, as identified by Redwood Empire. Built-in seating and steps demonstrate one possible use of the material.

Redwood backyard steps and decking. The supplier identifies redwood but does not state the grade for this photograph.

Photography: Redwood Empire supplier gallery / decks. Older gallery examples illustrate appearance and uses, not current product specifications.

REDWOOD EMPIRE / GALLERY

Fences, gates & garden edges.

Real supplier photographs, with material identification limited to what the supplier states.

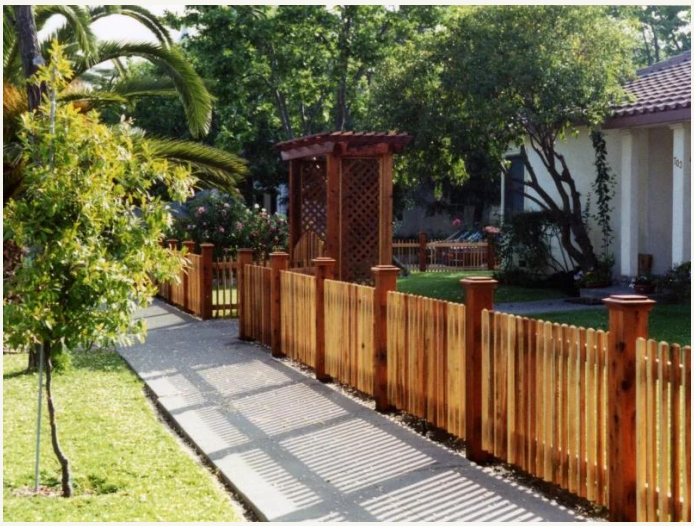

Redwood privacy fence with decorative detailing.

Redwood fence with lattice sections.

Redwood gate and trellis detail.

Redwood fence framing a garden walk.

The supplier identifies redwood in these examples but does not assign a grade to these photographs. Request a current photograph of the exact grade and material before ordering.

Photography: Redwood Empire supplier gallery / fences and gates. Images show possibilities; accessories and finished assemblies are not automatically included.

REDWOOD EMPIRE / GALLERY

Room for outdoor living.

Redwood structures and gathering spaces from the supplier's gallery.

A trellis built with Construction Heart redwood, according to the supplier. Design, member sizes, and connections require a project-specific plan.

A poolside retreat using Construction Heart redwood, as identified by Redwood Empire. This is an inspiration example, not a packaged structure.

Photography: Redwood Empire supplier gallery / trellis and gazebos. Older photographs are retained as material examples, not claims of current stock or kit availability.
