01 / ARTIFICIAL TURF

More green. More possibilities.

Global Syn-Turf products, presented by Grand Oaks Supply Company.

Illustrative material image. It does not identify a particular turf model.

Find turf for landscape projects, pet spaces, putting greens, and training areas. Compare pile height, face weight, blade style, roll dimensions, and the intended application before selecting a material.

A complete material request

Combine your selected turf with infill, seam materials, fasteners, edging, and maintenance products in one quote request. Enter turf quantities in square feet and accessories in the correct package or item unit.

Source: retained Grand Oaks catalog records and Global Syn-Turf product pages. Grand Oaks is a distributor, not the turf manufacturer.

ARTIFICIAL TURF / GREENERY & CUSTOM CUTS

Green beyond the lawn.

Artificial greenery panels and custom-cut turf mats can be included in your material request.

Greenery panel	Panel size	Color	Weight
Dutch Dark Hedge	24 × 24 inches	Dark Green	2.5 lb
Dutch Hedge	24 × 24 inches	Dark Green & Light Green	2.5 lb
Hawthorn Dark Hedge	20 × 20 inches	Dark Green & Yellow	1 lb
Hawthorn Hedge	20 × 20 inches	Light Green & Dark Green	1 lb
Holly Hedge	20 × 20 inches	Dark Green & Light Green	1 lb
Super Ivy	23-3/5 × 23-3/5 inches	Dark Green & Light Green	2.9 lb
Willow Hedge	20 × 20 inches	Light Green & Dark Green	1 lb

Panel dimensions, leaf shapes, and shades vary by style. These products are ordered by the panel. Ask about current photographs, samples, fastening requirements, and coverage for your application.

Custom-cut turf mats

Standard mat size	Area per mat
12 x 12 in	1 sq ft
24 x 24 in	4 sq ft
36 x 12 in	3 sq ft
36 x 36 in	9 sq ft

Select a turf style, enter the finished dimensions, and tell us how many mats you need. For dimensions in inches: square feet = width x length / 144. Material suitability, available cuts, and minimum order requirements are confirmed before an order is accepted.

Sources: Global Syn-Turf greenery product/specification records. Mat sizes are Grand Oaks requested service sizes, not manufacturer stock-size guarantees.

TECHNICAL RESOURCES

From selection to specification.

Product sheets, dimensions and test results should be reviewed for the exact material and intended application. Your quote confirms availability and the selected options.

Global Syn-Turf specifications and tests

Installation reference guides

Manufacturer documents may be in English only. For help requesting Spanish or another language, email grandoaksupply@gmail.com or call (831) 524-7497.

Before ordering, confirm the product, size or package, quantity, delivery or arranged pickup, and applicable written terms. Structural design, installation and suitability remain project-specific.

ARTIFICIAL TURF / GALLERY

Material details.

Actual material and accessory images from the supplied Global Syn-Turf accessory menu. These are product details, not completed Grand Oaks projects.

Artificial turf texture - general supplier illustration; the menu does not identify a turf model for this image.

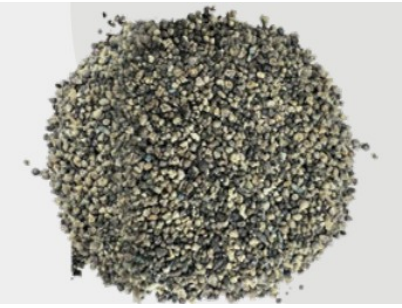

2 gallon Turf Claw MP Glue

1 gallon Mapei Ultrabond PU 1K

Moisture Wrap seaming tape

Hybrid Sand #16
